Focus Words

» wiretapping » source » suspicious » notwithstanding » eliminate

I believe that secret wiretapping should be legal. The Government has different sources of information to find information about terrorism. Wiretapping is one of them. If the government hears suspicious things through these conversations they will report to the Government. They don't want to eliminate wiretapping, they don't care about other conversations. Notwithstanding the wiretapping going on and people opinion of feeling it invades their space wiretapping should be allowed.
